Presidents Message

Sean Meiner

Meeting Minutes - February 2018

Introduced Visitor: We met Casey Pinochi, he is with the Multigp [drone] racing chapter. Casey applied for LARC membership.

Treasury Report, \$1248.88 in checking, \$100.29 in savings, up \$.06.

Field report; Greg says the new mower runs now, the new helicopter pads are completed and looking good, says: "no shoes on pads!" Per Greg.

Old Biz, John Frenzel says the fire extinguishers are filled and he just needs to go get them. Also we spoke of putting a [white] X at the end of the runways to deter non RC planes from landing there.

Rules and Regs, Rick still working on

them, says next mtg. Craig says he's making new swivels for the windsocks for the sign coming into the field. Sean says club dues are due.

New Biz, Feb., 24 is the date for the Multigp race at LARC meadow. First event is no charge. Tourism grants are needed, city wants events at the field to draw people to the area so they will spend money in our town.

We also accepted Casey into the club.

Show n tell; Don McGlaufflin brought his Cessna in from his "ceiling" collection. Chris brought his drone named "Val." Rick brought two drones, Sean offered his XK drone for sale.

Lorne Koch has gone into production on drone frames, company is called "Sucker Punch."

Submitted by Eric Freeman for:

Larry Baker - Secretary

02/08/20

2018 LARC Officers

President - Sean Meiner
